

Sunbaked's Survival Story - Updated

Saturday, 10 January 2009

When I founded this site back in 2004 I never dreamed that it would become what it has... It's been a while since I updated my story..Â Two years to be exact!Â I decided today that an update was due.Â You can find the link to my story on the left column of the site.Â I hope you find it useful.Â

God Bless, and Keep Surviving!
